IBM Cloud Account Creation

Team ID	PNT2022TMID26293
Project Name	Plasma Donor Application

TEAM LEAD(SYED IMRAN I):

The screenshot shows the IBM Cloud Dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (Priyadharshini M's Acco...). Below this, the main dashboard area is titled "Dashboard" and includes links for "Edit dashboard", "Upgrade account", and a prominent "Create resource" button. The "For you" section features a horizontal carousel of cards: "Build" (highlighted in blue), "Create a custom dashboard", "Explore DevSecOps on IBM Cloud", "Explore tutorials", "Create and deploy an application", and "Deploy". Each card provides a brief description and a "Getting started" button with a time estimate. At the bottom, there are sections for "User access" (with a "Manage users" link), "News" (featuring "SLSA Support in IBM Cloud Continuous Delivery"), and "Planned maintenance" (with a "View" link and a chat icon).

SLSA Support in IBM Cloud Continuous Delivery

Planned maintenance View

TEAM MEMBER 1(VARGHESE YAGAPPARAJ J):

The screenshot displays the IBM Cloud Dashboard interface. At the top, a dark navigation bar includes the IBM Cloud logo, a search bar, and user account information. The main dashboard area is titled "Dashboard" and features a "For you" section with several recommended resources. These include a "Build" section with a selection of easy starter tutorials, and several "Get started with Watson" cards for Studio, Speech to Text, Discovery, and Build. A "Smart Document Understanding Demo" is also featured. Below the "For you" section, there are four panels: "News" with a list of recent updates, "Recent support cases", "Planned maintenance", and "IBM Cloud status" with a world map. The interface is clean and modern, with a focus on providing quick access to key services and information.

TEAM MEMBER 2(YUVAN SHANKAR R V):

The screenshot displays the IBM Cloud Dashboard interface. At the top, a navigation bar includes the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (prathiksha v's Account). The main content area is titled "Dashboard" and features a "For you" section with several service cards. These cards include "Build" (a large blue card), "Build a web app with Watson Speech to Text", "Get Started with Watson Studio", "Build a Virtual Private Cloud (VPC)", "Build a virtual machine", and "Get started with Watson Discovery". Each card provides a brief description and a "Getting started" button with a time estimate. Below the "For you" section, there are three more cards: "User access" with a "Manage users" link, "News" with a "View all" link, and "Planned maintenance" with a "View all" link. The bottom of the screen shows a Windows taskbar with various application icons and system information like temperature and time.

TEAM MEMBER 3(SARAN BALAJI A J):

The screenshot displays the IBM Cloud Dashboard. At the top, the word "Dashboard" is followed by a dropdown arrow. To the right are links for "Edit dashboard", "Upgrade account", and a blue "Create resource" button with a plus icon. A vertical sidebar on the left contains icons for various services like Cloud Object Storage, Cloud Functions, and Cloud Kubeless. The main content area is titled "For you" and features a horizontal scrollable list of six cards. The first card, "Build", has a blue-to-purple gradient background. The other five cards are light gray and each includes a lightbulb icon, a title, a description, and a "Popular" or "Recommended" badge with a duration. Below this list are four sections: "News" (with a blue background and three items), "Recent support cases", "Planned maintenance", and "IBM Cloud status" (which includes a world map). Each of these four sections has a "View all" link. A blue chat bubble icon is located in the bottom right corner of the dashboard.
